Special Field  
 Mathematics

Plan of Work

RENEWAL

Continuation for another sixteen months, beginning June 1, 1938 of present stipend (\$125 month) for study at the Institute for Advanced Study, Princeton University.

Digest of Application

*Place for him? Cjy knows just. That wants him. Mac says Aug. will take later. Fund should take at same figure as last year. Not to be at Michigan. Wilder says Princeton is place & hopes he can enter there. One says to turn to Ed Wilson to try to get him to <sup>Just</sup> advanced study (Oswald Veblen) - Mac suggests or M.I.T.*
