Dear Miss Purdie: Thanks very much for your
~~very nice report of~~
November 1st. I think you are making real progress, and I am greatly pleased at what you have to say for yourself. I really want to come down and see you just as soon as I can, and you may be quite sure that whenever I am in striking distance of Winston-Salem that I will be knocking on your door. Apparently you have a show which is really worth seeing.

The best of good luck and
continued successes.

Sincerely yours,

M. O. BOUSFIELD
