

1940 DS  
1943

Name Lillian Burwell Lewis (Mrs.)

Field: Biology

Head, Department of Biology  
Tillotson College  
Austin, Texas

Plan of Work

To contribute to the knowledge of the role of hormones in sex development by injection of hormones in suitable stages of duck embryos. This has a bearing upon the development of sex in the human being which constitutes an important sociological problem.

Wishes to attend the University of Chicago for one year beginning in June, 1943. Will work under the supervision of Dr. Carl R. Moore toward a Ph. D. degree. Has been admitted. Will return to present position.

Applied in 1938.

Personal Data

Born Meridian, Mississippi, August, 1901.  
Married. One child and one dependent.

Age: 41

Undergraduate Work

Howard University, B. S., 1925.
