(Thomas, M. A.)*

October 17, 1939

Dear Doctor Thomas: Thanks for your very good letter of October 12th. I am glad to hear from you and happy that you are keeping busy. I am surprised that Butler is still in Atlanta; I thought he was leaving the city.

Several changes are taking place at Tuskegee. Kenney is returning as medical director, and Walwyn is taking over Steele's work for the present. There may be an expansion of some of the medical care programs but I am not sure of it at the present moment. Please be kind enough to let me have a line from you from time to time.

Remember me kindly to Mrs. Thomas, and with kindest regards,

Sincerely yours,

M. O. BOUSFIELD
