

Candidate **Herbert Neal Massey** ✓ Special Field **Sociology**
 Teacher of Sociology
 Georgia State College for Women, Milledgeville, Georgia

Plan of Work

From U. S. census reports and other available sources to discover the extent, distribution, and types of mental illness in the southeast in comparison with other regions. With this as a basis I should like to make a thorough study of the mentally sick in Georgia.

Seeking Ph. D. from University of North Carolina; admitted. Duration of study one year to begin September, 1938. Will return to present position.

Digest of Application

Born January, 1891, Muscogee County, Georgia. Married, one child.

A. B. from Mercer University, 1915. M. A. from University of Chicago, 1925. Attended University of North Carolina summers of 1929 and 1937; George Peabody College, summer of 1936; Duke University, 1932-33.

Experience: Limestone College, South Carolina, professor, 1924-31, \$1,800. Campbell College, North Carolina, professor, 1932-33, \$1,500. Fort Gaines, Georgia, pastor, 1915-18, \$1,000. Jonesboro, Georgia, Baptist Church, pastor, 1918-24, \$1,500. Smithfield, North Carolina, Baptist Church, pastor, 1931-35, \$1,750. Georgia State College for Women, professor, 1935 to present, \$2,400.

Research: Social study of Cherokee County, South Carolina. Some aspects of Negro health in Georgia.

Applied JRF, 1937.
