My dear Mr. Haygood:

I have your letter of May 12 in reference to fellowships for Messrs. Green and Knowlton.

On the basis of the materials attached to your communication, I believe that we should extend the maximum assistance to Mr. Green. I shall be glad to vote for the grant which you suggest.

I am glad to know of Mr. Knowlton, and I enjoyed reading Miss Smith's letter and her estimate of the man. I should like, of course, to have a little more detailed information as to what he would intend to do in the field of labor, as well as Mr. Paty's appraisal of him. I am sure that these things will be supplied the members of the Committee in the future, and I shall review them carefully and communicate further with you in regard to Mr. Knowlton.

With personal regards, I am

Sincerely yours,

Robert C. Weaver
