Director of Religious Life, Professor of
Religion, Bennett College

Religion

It doesn't seem to me that references
are all out

His scholarly record is spotty

If we do what I suspect, he can't
study under Linton Pope next year
for Pope will be on our fellowship.

Significant that no testimony comes
from Pope, his chosen mentor

Plan of Work To make a careful study of what the major Protestant denominations are doing through their commissions on social action to improve American social life. I plan to get all the information available on the projects these commissions are sponsoring to the end that such knowledge may further democracy in the United States.

Requests grant from September 1949 to June 1950. Wishes to work toward the Ph.D. degree in the Department of Social Ethics at Yale University under the supervision of Professor Liston Pope.
