FELLOWSHIPS  
(Furus)

I am enclosing a statement of our 1947 fellowship program, which I hope you will post and otherwise call to the attention of persons who may be especially qualified for these grants. Our aim is to give special opportunities - study, travel, or work experience - for the development of individuals of unusual promise. We are interested not only in scholars but in persons who may exert leadership in various phases of American life; labor, religion, writing, public service - any field in which talent may enrich the nation.

The awards are offered to Negroes throughout the nation, and to white Southerners interested in problems distinctive to the region. We are not prepared to receive applications in the field of race relations unless candidates fall in either of these two categories.

We should like to have applications reach us at an early date. In any case they must be received not later than January 1, 1947. Detailed correspondence concerning candidates or other aspects of the fellowship program should be addressed to Mr. William C. Haygood, Director for Fellowships, 4901 Ellis Avenue, Chicago 15, Illinois.

I think you will be interested in the enclosed list of the Fellows selected by our Committee for this year. We will appreciate your help in finding an outstanding group of candidates from which to make our 1947 selections.

Very truly yours,
