

Fellowship Com

April 28, 1941

Dear Mr. Mangravite: Mr. Moe has told me that you have been kind enough to serve as a member of the art jury which has made recommendations on our art candidates for the past two years. As you know, the Committee on Fellowships has made several awards on the basis of your recommendations.

I am writing to you to express our great appreciation for your splendid work and fine cooperation in assisting us in making our selections. If there is any way in which we can serve you, please call on us.

Sincerely yours,  
GEORGE M. REYNOLDS
