

Candidate **Cullen Bryant Gosnell** ✓  
 Professor of Political Science  
 Emory University, Georgia

Special Field **Political Science**

Plan of Work

My plan is to make a thorough study of adult education in Denmark and Sweden. The folk high schools would be visited and a great deal of time would be spent at each institution in acquainting myself with their teaching methods, the content of their studies, how they are operated, etc.

Duration of study six months to begin spring, 1939. Will return to present position.
