March 29, 1923.

Dear Mr. Harned:

We are happy to announce to you that The Julius Rosenwald Fund on March 27, 1923 appropriated \$552,030 to aid in the construction of rural schools and teachers' homes through the State Departments of Education in the fourteen Southern States for the year beginning July 1, 1923 and ending June 30, 1924.

The allotment for Tennessee is as follows:

<u>Type of School</u>	<u>Number</u>	<u>Amount Per School</u>	<u>Total</u>
One-teacher	8	\$400	\$3,200
Two-teacher	15	700	10,500

In keeping with the requests of the various states, applications will be received until March 1, 1924, with the understanding that every building on which aid is expected will be completed and paid for on or before June 30, 1924, at which time any unused balance will revert.

In order to take care of any emergencies in construction during the year, a reserve fund was included in the general budget. If any state should use up its budget allotment long before the closing period and has a large percentage of the projects completed, The Fund will consider granting additional allotments to such state or states out of this reserve fund. In this way we hope to care for all the needs of the states in the building program.

Mr. Rosenwald and the Trustees of The Fund send greetings and join us in expressing our appreciation to you and your department for the sympathetic and hearty cooperation you have given us in the work heretofore and in hoping for the same helpful cooperation under the 1923-24 budget.

Mr. P. L. Harned,

April 7, 1924.

Dear Mr. Harned:

Just before leaving the office for a vacation trip of several weeks Mr. Rosenwald authorized me by letter to make up a budget for schoolhouse construction in the various southern states, keeping the total within the limit of \$450,000. This amount does not include the RESERVE FUND for emergencies in construction, which will be determined on his return to the office sometime between now and July 1st, nor does it include the administrative expenses. When these are added, the total budget for 1924-25 will doubtless be a half million dollars or more.

In keeping with this authorization and request of Mr. Rosenwald, I have carefully prepared a budget for the various states, being guided largely by (a) the requests from the states (b) the number of projects approved and completed on the present year's budget and (c) the number and size of projects I felt that each state could provide funds for and adequately supervise the construction of for the year beginning July 1, 1924, and ending June 30, 1925. The allotment for Tennessee is as follows:

<u>Type of School</u>	<u>Number</u>	<u>Amt. per School</u>	<u>Total</u>
One-teacher	8	\$400	\$3,200
Two-teacher	10	700	7,000
Three-teacher	8	900	7,200
Four-teacher	5	1,100	5,500
Five-teacher	1	1,300	1,300
Six-teacher	4	1,500	6,000
Teachers' homes	2	900	1,800
Additions	5	200	1,000
Total	43		\$33,000

If the above amount should be inadequate for the imperative needs of your State, doubtless this can be adjusted by the RESERVE FUND which will not be approved and announced until after Mr. Rosenwald's return to his office.

Applications on the 1924-25 budget may be filed at any time from now until March the 1st, 1925, with the understanding that every building on which aid is expected will be completed and paid for by June 30, 1925, at which time any unused balance will revert.

Mr. Rosenwald and the Trustees as well as those of us in the Nashville office deeply appreciate the sympathetic and hearty co-operation given us by your department in the past and sincerely hope for this same helpful co-operation under the 1924-25 budget.

Dear Mr. Harned:

You will find inclosed The Julius Rosenwald Fund check No. 1687 payable to the Tennessee State Department of Education for \$3,000, to increase your working capital. The remainder of this year we shall send in lump sum checks to increase the working capital, reducing this as you pay out money from time to time on inspection reports submitted. It is necessary to do this instead of replenishing you on the exact amount of the inspection reports submitted, because we had to have these lump sum checks drawn and signed before the Treasurer of The Fund left on June 1st for Europe. We have drawn ample checks to take care of the total approved construction program in your State this year.

Sincerely yours,

Mr. P. L. Harned,

Dear Mr. Harned:

You will find attached The Julius Rosenwald Fund check No. 1668, dated July 1st, to the order of the Tennessee State Department of Education for \$3,500, to be used as working capital in the schoolhouse construction budget for the year beginning July 1, 1925 and ending June 30, 1926. As disbursements are made from time to time in keeping with the Plan for Distribution of Aid for Building Rural Schoolhouses for 1925-26, as evidenced by inspection reports of completed buildings bearing signatures of the State Superintendent and State Agent, the working capital will be replenished, keeping the total up to the original amount as nearly as possible. Any unexpended balance of this working capital on June 30, 1926 is to be refunded to The Fund.
