Statistical Economics

The recommendations from Knight
and Sarge (Chicago) (Knight
is especially pro-bitten usually) are
so high that we are practically
compelled to make the award

DAN RUTLEDGE VINING

Instructor of Statistics and Economics
University of Arkansas

(Reappointment)

Economics

Top recommendation (including
the very well liked Frank Knight)
He should finish his Ph. D. and
this next year will allow him to
hold his desired study of
Southern economics in the
general theoretical sense he has been
doing

yes
\$1,800

yes

Candidate Dan Rutledge Vining
Instructor of Statistics and Economics,
University of Arkansas, Fayetteville

Special Field
Statistical Economics

Plan of Work *614 Reagan St*
A southern region to be selected, an empirical study of the economic organization of this region to be made, a study of the nature and sources of the fluctuation of employment and income in this region, construction of model sequences describing the reaction of this economic organization to changes in the economic variables.
