

Candidate Raphael Eugeno Tisdale
 Instructor of Biology
 Tuskegee Institute, Alabama

Special Field Biology

Plan of Work

To secure adequate professional supervision and training which will enable me to make a scientific survey of science courses in small rural Negro schools in order to train a new type of science teacher for these schools.

Wishes to spend two years at Columbia University under Miss Mabel Carney or at Iowa State College under Dr. W. H. Lancelot, working for Ph. D. Has not been admitted.

Will return to present position.

Digest of Application
