NOMINATION

NATIONAL RESEARCH COUNCIL

THE NATIONAL SCIENCES
 NATIONAL RESEARCH FELLOWSHIP IN

FISK
 UNIVERSITY

18. Researches previously pursued, stating where, when, and with whom they were carried out, and giving full citations of all publications resulting therefrom. (These statements are to be supplemented by the submission of reprints of publications, and by typewritten descriptions, a few paragraphs in length, of unpublished work, especially the doctorate thesis.)

NATIONAL RESEARCH COUNCIL
WASHINGTON, D. C.

NOMINATION

19. Title of the proposed research.

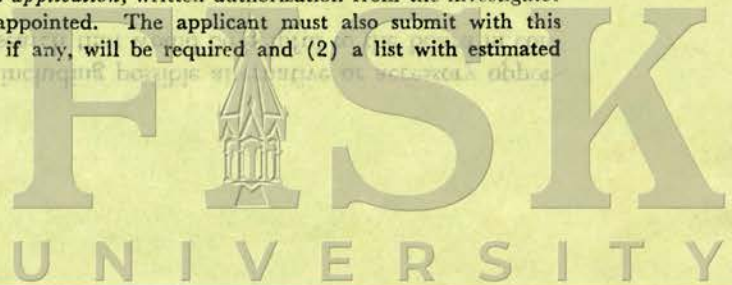

APPLICATION

(Supplementary to the above brief title of the proposed research, *but not in substitution thereof*, applicants are expected to submit a typewritten description of the proposed research, showing its scientific importance, its relation to existing knowledge, the plan of attack, facilities needed, etc.; it being understood that this initial program may be modified by the applicant after consultation with the Board and with the investigators with whom he will be associated.)

20. Where and with whom* do you prefer to work? (Name in order of preference two or more institutions, other than the one at which you did the major part of your graduate work, at which, in your judgment, your fellowship work could be prosecuted to good advantage, indicating an investigator at each institution with whom you would expect to be associated.)

*NOTE CAREFULLY—An applicant shall, upon receiving appointment, immediately ascertain whether the proposed institution and the investigator with whom he wishes to work are willing to receive him, and shall inform the Secretary of the Fellowships Board accordingly.

An applicant for work abroad must obtain, in advance of filing this application, written authorization from the investigator with whom he wishes to work, indicating that he will be accepted if appointed. The applicant must also submit with this application (1) a statement showing what tuition or laboratory fees, if any, will be required and (2) a list with estimated cost of any special materials or equipment that may be necessary.

21. Statement of any additional facts concerning your plans including possible alternative or accessory opportunities which may be open to you for prosecuting research that would be helpful to the Board in considering your application.

22. Have you applied or do you intend to apply to any other organization for a fellowship or a similar appointment? If so, what organization?

(The Board requests that you advise it promptly of any similar application subsequently made or of any appointment you may receive from applications pending.)

23. When would you wish to begin your fellowship activities?

24. To applicants applying for a fellowship for study abroad: If awarded a fellowship,

(a) What amount of your present salary would continue while you are abroad?

(b) What additional financial aid would you need? (Financial aid refers to living expenses only; travel, tuition, etc., are provided separately.)

25. What are your plans following the completion of the fellowship, if awarded to you?
