ROBERT LLOYD

(26)

Engineer of Surveys
Department of Engineering
Gary, Indiana

Chemistry - Chemical Engineering

Excellent record
Excellent testimony

Pretty young and just starting toward
his master's degree. But, even though
we may have to carry him for three years,
I'm for him

What is his draft status?

Name Robert Lloyd

Field: Chemistry -
Chemical
Engineering

~~Engineer of Surveys, Department of Engineering -
City of Gary, Indiana~~

*Kupshung Ordnance Plant
La Porte, Indiana*

Plan of Work

Studies giving particular emphasis to the chemical and engineering aspects of the manufacture of pharmaceutical and medicinal products.

Wishes to work for master's degree at Purdue University under Dr. J. L. Bray. Has been admitted. Study would require one year beginning September 1942. Would not return to present position, but seeks training for a position in chemical engineering manufacture.

9 months

Personal Data

Born Jackson, Mississippi, March 1916.
Single. One partial dependent.

Age: 26

*2
3-A*
