LLOYD REROY HOGEN

Undergraduate student, University of Chicago

Economics

Nothing to take care of  
He hasn't even begun to prove himself  
yet

Name Lloyd LeRoy Hogen

Field: Economics

Undergraduate Student, University of Chicago  
4923 Champlain Avenue, Chicago 15, Illinois

Plan of Work (a) Attempt at stating a "Law of Price" in an empirically testable fashion;  
(b) test this "law" against conveniently selected past periods; (c) assuming positive results above, attempt to predict exact prices that will prevail in a future period; (d) construction of an hypothesis to explain "a" above.

Requests grant for one year beginning January 1949. Wishes to work toward the Ph.D. degree in Economics at Harvard University under the supervision of Professor Frickey.

Personal Data Born La Boca, Panama Canal Zone, January 1923  
Married, one dependent
