Dear Mr. Embree:

Thank you for your letter. I was sorry to have had no opportunity to tell you the other day how pleasant I had found the occasion. But your committee was deep in its duties when I left.

I thoroughly enjoyed sitting in on the decision about the fellowships and it is good to hear that all six of people whose projects interested me were accepted. Some books which will be a credit to your effort should certainly come out of the assignments.

Yours sincerely,

James Gray
