Mr. S. L. Smith,
Nashville, Tenn.

My dear Mr. Smith:

Permit me as bookkeeper of the Rosenwald Fund to answer your letter of the 18th to Mr. Colvin with reference to the statement under the 1920-21 budget.

On July 28, 1921 you requested that we make a "statement of money received and disbursed under the regular 1920-21 budget up to June 30, 1921." This we did, and you will remember that we were able to reconcile our statements.

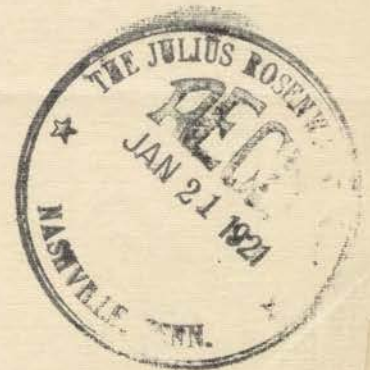

Applications 7 and 9 and 12 were omitted from the recent statement as the appropriations for these schools were paid out after June 30, 1921. It is now understood, however, that these applications were approved under your 1920-21 budget, and we will ask you to substitute the enclosed statement for the one recently sent.

Yours truly,

Jessie A. Allin

Secretary to
Mr. Colvin.

Dear Supt. Colvin:

We are happy to announce to you that The Julius Rosenwald Fund on March 27, 1923 appropriated \$552,030 to aid in the construction of rural schools and teachers' homes through the State Departments of Education in the fourteen Southern States for the year beginning July 1, 1923 and ending June 30, 1924.

The allotment for Kentucky is as follows:

Type of School	Number	Amt. per School	Total
One-teacher	6	\$400	\$2,400
Two-teacher	5	700	3,500
Three-teacher	2	900	1,800

Six-teacher	1	1,500	1,500
Teachers' Home	1	900	900
Additions	3	200	600
Totals	20		\$12,900
Building Agents			1,200
		Totals	\$13,100

In keeping with the requests of the various states, applications will be received until March 1, 1924, with the understanding that every building on which aid is expected will be completed and paid for on or before June 30, 1924, at which time any unused balance will revert.

In order to take care of any emergencies in construction arising during the year, a reserve fund was included in the general budget. If any state should use up its budget allotment long before the closing period and has a large percentage of the projects completed, The Fund will consider granting additional allotment to such state or states out of this reserve fund. In this way we hope to care for all the needs of the states in the building program.

Mr. Rosenwald and the Trustees of The Fund send greetings and join us in expressing our appreciation to you and your department for the sympathetic and hearty cooperation you have given us in the work heretofore and in hoping for the same helpful cooperation under the 1923-24 budget.

Dear Supt. Rhoads:

Just before leaving the office for a vacation trip of several weeks Mr. Rosenwald authorized me by letter to make up a budget for schoolhouse construction in the various southern states, keeping the total within the limit of \$450,000. This amount does not include the RESERVE FUND for emergencies in construction, which will be determined on his return to the office sometime between now and July 1st, nor does it include the administrative expenses. When these are added, the total budget for 1924-25 will doubtless be a half million dollars or more.

In keeping with this authorization and request of Mr. Rosenwald, I have carefully prepared a budget for the various states, being guided largely by (a) the request from the states (b) the number of projects approved and completed on the present year's budget and (c) the number and size of projects I felt that each state could provide funds for and adequately supervise the construction of for the year beginning July 1, 1924, and ending June 30, 1925. The allotment for Kentucky is as follows:

<u>Type of School</u>	<u>Number</u>	<u>Amount per School</u>	<u>Total</u>
One-teacher	7	\$400	\$2,800
Two-teacher	3	700	2,100
Three-teacher	2	900	1,800
Four-teacher	1	1,100	1,100
Five-teacher	1	1,300	1,300
Six-teacher	2	1,500	3,000
Teachers' homes	2	900	1,800
Additions			
		Total	\$13,900

If the above amount should be inadequate for the imperative needs of your State, doubtless this can be adjusted by the RESERVE FUND which will not be approved and announced until after Mr. Rosenwald's return to his office.

Applications on the 1924-25 budget may be filed at any time from now until March the 1st, 1925, with the understanding that every building on which aid is expected will be completed and paid for by June 30, 1925, at which time any unused balance will revert.

Mr. Rosenwald and the Trustees as well as those of us in the Nashville office deeply appreciate the sympathetic and hearty co-operation given us by your department in the past and sincerely hope for this same helpful co-operation under the 1924-25 budget.

Dear Supt. Rhoads:

I take great pleasure in announcing to you that The Julius Rosenwald Fund on June 4, 1926, appropriated \$50,000, including administrative expenses, to aid in the construction of rural Negro schools and teachers' homes through the State Departments of Education in the fourteen Southern States for the year beginning July 1, 1926, and ending June 30, 1927.

The total amount for construction is \$422,000, a little less than that of last year but more than we have spent in the fourteen states for construction in any budget year. The allotment for Kentucky is as follows:

<u>Type of School</u>	<u>Number</u>	<u>Amount per School</u>	<u>Total</u>
One-teacher	6	\$400	\$2,400
Two-teacher	3	700	2,100
Three-teacher	3	900	2,700

Teachers' Homes			
Additions	<u>1</u>	200	<u>200</u>
	15		\$10,000
Building Agent			<u>1,000</u>
			\$1,100

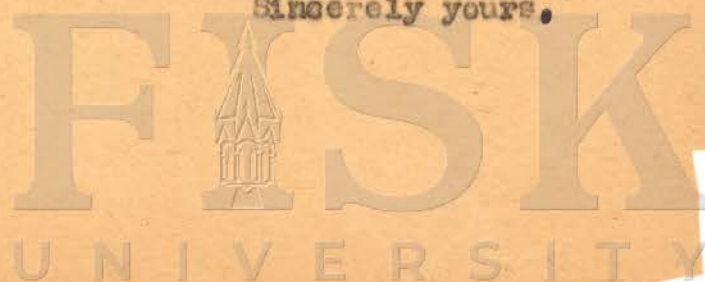

You will find attached a regulation made by the Trustees in response to urgent requests from the various states for aid in building County Training Schools or County High Schools striving to meet state requirements for high school standardization. While no special appropriation was made for this, each state is authorized to take the necessary amount from the regular budget appropriation.

On behalf of Mr. Rosenwald and the Trustees of The Fund I desire to thank you and your staff and through you the County Superintendents and others for the hearty co-operation in past years and hope for that same cordial relationship as we are about to begin work on the new budget year.

Dear Supt. Rhoads:

Subject: 1927-28 Budget

I am authorized to announce that the Julius Rosenwald Fund on May 5, 1927, made the following appropriation for your State to aid in the construction of Negro schoolhouses, teachers' homes, classroom additions, and shops, for the year beginning July 1, 1927 and ending June 30, 1928:

<u>Type of School</u>	<u>Number</u>	<u>Amount per Type</u>	<u>Total</u>
One-teacher	7	\$200	\$1,400
Two-teacher	4	500	2,000
Three-teacher	3	700	2,100
Four-teacher	2	1000	2,000
Five-teacher	1	1200	1,200
Teachers' Home			
Four-room	1	500	500
Shops			
One-room	2	200	400
Two-room	1	400	400
Classroom additions	6	150	900
	27	Total for construction	\$10,000

The aid for schools and additions above a six-teacher type - seven-teacher to ten-teacher, inclusive - is for county training schools or county high schools striving to meet state requirements for high school standardization. Copies of the detailed plan for distribution of aid will be mailed within a few days.

Beginning July 1, 1927, the Fund agrees to give aid for shops on condition that (a) the building be erected according to plans and specifications furnished or approved by the Fund, (b) an ample supply of tools be purchased, and (c) a trained teacher be provided to take charge of the work.

On behalf of the Trustees of the Fund I wish to thank you and your staff for the cordial cooperation in the administration of the work in your State. We shall appreciate having any suggestions from time to time which you feel will be helpful in securing the greatest benefits with the amount of money available.
