

JULIUS ROSENWALD FUND

(RENEWAL)

Candidate James Raymond Lawson

Special Field Physics

Graduate Student, University of Michigan
1015 Catherine Street, Ann Arbor, Michigan

Plan of Work

I plan to continue experimental research in infra-red spectroscopy, investigating the rotational spectra of heavy tetrahedral molecules in the far infra-red.

Digest of Application

Born 1915.

B. S. Fisk University, 1935. M. S. University of Michigan, 1936.

Teacher of Physics and Mathematics, St. Augustine's College, Raleigh, North Carolina.

Fellowships: Rosenwald Fund, 1937-38, \$1500; Renewal, 1938-39, \$1500.

References

Dr. H. W. Randall, University of Michigan
