FELLOWSHIPS

(Lists)

TO W. C. Haygood

SUBJECT: Fellowship grants on which payments are not being made.

At this time each year, it is customary for me to give you a list of the fellowship grants on which ~~the~~ payment is not proceeding normally, so that, if there is a possibility of the release of any of these funds, we may take the necessary steps to make the amount available to the Fellowship Committee at their forthcoming meeting. Below is a list of the grants which for one reason or another are being held.

<u>Name</u>	<u>Date of Grant</u>	<u>Amount</u>
John H. Becker, Jr.	April, 1945	\$1,800
Wilmoth A. Carter - Postponed to June 1947.		1,500
J. G. St. Clair Drake	April, 1946	\$2,500
Emile L. Meine, Jr.	April, 1944	\$ 250
We have agreed to hold this balance through December 1947. He expects to return to Northwestern in the fall.		
Charles H. Nichols, Jr.	April, 1946	\$1,500
To begin in summer of 1947.		
Cy Wilson Record	April, 1946	\$2,100
Postponed to July of 1947.		
George Warren Reed, Jr.	April, 1946	\$1,500
Mark Hanna Watkins	April, 1940	\$1,850.
Watkins received a grant of \$2,600. He received \$750 in December 1945 for a trip to Haiti. It seems to me as though this grant, because of its age, might be released.		

LABOR SCHOLARSHIPS

Three labor scholarships of \$1,200 each were charged last year to the fellowship funds. They were awarded to Mrs. Theodosia Simpson, Mrs. Naomi J. Hayden and Mr. Joseph Broccolino, Jr. Mrs. Hayden plans to enter Sarah Lawrence in September 1947. I wonder if the other two grants might be released.
