Dear Mr. Humphrey: We are preparing a full report for our trustees on persons who have held fellowships, and would like to have up-to-date information. It will be of great service to us if you will give the information called for below, and return the sheet to us at once. In addition to these bare facts we should be glad to know of anything interesting that has happened to you, or that you have accomplished either during your tenure of fellowship or since your return to your post. Our trustees have a continuing interest in the Fellows and we like to keep them informed.

Very truly yours,

George M. Reynolds

Julius Rosenwald Fund

Dear Mr. Reynolds:

I have received your letter of September 25 concerning the fellowship which was awarded me for study at the Ohio State University, and I want to apologize for not writing either you or Mr. Embree sooner. The summer has been a very busy one at the college, and there has been serious illness in my family which has taken me away from my duties rather frequently of late. Hence, I have neglected to write you as I had intended.

Without the aid of the fellowship, I would have been unable to complete my work towards the doctor's degree; and I will remain under lasting obligation to the Julius Rosenwald Fund for their aid.

You will find attached the information you request.

Sincerely yours,

GDH:S
