

Candidate **W(ayman) Parker Mauldin**  
 Instructor in Sociology  
 University of Tennessee, Knoxville

Special Field  
 Sociology

## Plan of Work

A study by color of poverty areas in the South, using the county as the basic unit. The problem is to devise a technique for determining poverty areas and then to determine exactly where such areas are in the South. Then, study the problem and consider ameliorative measures.

Wishes to attend the University of Chicago for three months; work for three months under Warren Thompson of the Scripps Foundation for Research in Population Problems; work for three months under Louis I. Dublin, Metropolitan Life Insurance Company; study six months at the London School of Economics under Carr-Saunders, D. V. Glass, Ginsberg, and Malinowski.
