April 11, 1937 Final meeting of Committee.

Mr. Moe brought up Miss Morton's case. She is outstanding person if her thesis work was done independently.

Mr. Paty is to talk with Howard Long and get accurate statement from him, then talk with Miss Morton.

How temporary is her appointment at Howard? If for another year why not leave her there and bring up later, bit if it ends at the end of this year Mr. Moe thinks she may have a real case.
