Dear Miss Dudley: Your letter of August 14th has come in during Dr. Bousfield's absence on vacation.

I am sorry to say that it will be quite impossible for any decision to be made on your scholarship by September 1st, since the Scholarship Committee will not meet for some time.

I am sure you will realize that we receive many more applications for scholarships than can possibly be granted. It would be very unwise, therefore, for you to make any plans whatsoever in the expectation of a grant from the Fund. I am very sorry to send you this discouraging reply but I am sure you will understand the conditions which make it necessary

Very truly yours,

RUTH L. HOBBS
