

Candidate **Ottis Clark Skipper** Special Field
 Assistant Professor of History
 The Citadel, Charleston, South Carolina American History

Plan of Work

I have in progress a life of J. D. B. DeBow (1820-1867). I expect to resume full-time research in June. Within two months I shall have collected all the material that is available here. There is a maximum of two weeks' work that I need to do in Nashville. Then I need to look for fugitive material in New Orleans, Washington, perhaps in New York. By December I shall be ready to write.

Seeks Ph.D. at Harvard, working under Dr. Arthur M. Schlesinger.
 One year. Can return to present position.
