

JANE FRANSETH

Director of Education of Supervisors
University of Georgia, Athens

Education

Splendid person; has led
JRF rural ed program
But she doesn't seem to me
"filling material" in technical
sense. Not bow-smith
though her commitment to
Georgia program may not
be a "southerner"

Over my age - and a good
solid worker, rather than feminine
If anybody helps, it should
be Fred in rural ed program

I put + after her B, largely
to get her into Fw's list
