

Negro Nurses (Cones)
~~FELLOWSHIPS~~

(Dudley - Valla)

September 9, 1937

Dear Miss Dudley: I note that your application for scholarship has been received here while I was away on vacation. If you have not returned to Louisville, I would suggest that when you come through Chicago you attempt to see me or Mr. Paty. Perhaps at that time we can explore any possibilities for assisting you.

Very truly yours,

M. O. BOUSFIELD
