AIRMAIL SPECIAL

March 26, 1946

Dear Mr. Thompson: I am asking you to do an additional favor. This enclosed letter was sent Miss Louise Burge on March 19 at the address which we have on file and has just been returned as unclaimed. I am wondering if you could get Miss Burge on the telephone and let her know about the Music Jury Meeting in New York on April 6; also tell her to let us know her new address. I am bothering you with this rather than send it directly to her in care of Howard, because of the shortness of the time and because I am not sure whether Miss Burge is at the University now or on tour.

It was certainly very fine to have you out here last weekend and I hope that the return trip was pleasant.

Sincerely,

WILLIAM C. HAYWOOD
