

LILLIAN ESTELLE WORLEY

Assistant professor of geography and history
Alabama College

Sociology

Sounds like a very top person
Excellent references (care for a
stiff letter from President of College
that may just be his formality)

I wish Adam knew her, so
he could compare her with
other candidates who want to
work with him. Suggest we
get his appraisal (if we consider
her favorably)

Name Lillian Estelle Worley**Field:** Sociology

Assistant professor of geography and history, Alabama College
 Montevallo, Alabama
 410 East Franklin, Chapel Hill, North Carolina

Plan of Work

Plans to begin getting background courses in the fields of sociology, land use and planning, and resource administration. Hopes these will assist her in interpreting the data relative to Alabama's people which she has already collected. In June will return to Alabama College to conduct a workshop in resource education. In July hopes to join the staff of T.V.A. for three months, after which hopes to be back at the University of North Carolina where she can begin writing.

Requests grant for one year beginning July 20. Will return to present position. Wishes to work toward Ph.D. at the University of North Carolina under the supervision of Dr. Howard W. Odum.
