I am enclosing a statement of our 1939 fellowship program which I hope you will be good enough to post or otherwise call to the attention of persons who may be especially qualified for these grants.

Several application forms are being sent under separate cover and additional copies may be obtained upon request. We should like to have applications reach us as early as possible. In order to be considered this year they must reach us not later than January 10, 1939. Detailed correspondence concerning candidates or other aspects of the fellowship program should be addressed to Mr. George M. Reynolds, Director for Fellowships, 4901 Ellis Avenue, Chicago.

I think you will be interested in the enclosed list of the Fellows selected by our Committee for this year. We will greatly appreciate your assistance in helping us find an outstanding group from which to make our 1939 selections.

Very truly yours,

ERE:MLU
