Dear Dr. Alexander: I am very sorry to send you a disappointing reply to your letter of August 8th. I have brought the matter of your application to a head in order that you may make your plans with certainty for the coming year. The matter has been gone into thoroughly, and it is with regret that I have to inform you that your application has been denied.

I hope I may see you in Philadelphia next week.

Very truly yours,
M. O. BOUSEFIELD
