

Anthropology - Dillard University

Top man

Three possible objectives

- (a) he has had a good deal of Roosevelt aid
- (b) his brother is now in our list and is applying for a renewal
- (c) his asking (2,500) is abnormally large

Nevertheless Allison Davis is so brilliant that I think we could do well to enable him to get his degree. I wish he could do some work under Redfield or some person other than Lloyd Warner who has been his too close Papa for too long - for somewhat disapproved

A
