LEWIS ELLIOTT HENDRICKS

30

Assistant Farm Management Specialist
FSA, Montgomery

Agricultural Economics

Very poor record at Clemson
although his professors say he
is about the record he showed
in college -

Isnt this really just a request
for a chance to get an M. S.
Study of landlord-tenant
relationships certainly a fundamental
proposal - but in this man is
a position to shed every new
light. I would hate to see C but
for the almost finishing letters (about
same time as out of finishing with the record)
