Com.

February 10, 1948

Dear Mr. Stryker: For the past few years you have been good enough to examine exhibit material submitted by Rosenwald fellowship applicants in the field of Photography. As you know, this is the last year in "our" life, and I am writing to ask if we may again count on your cooperation.

I am to be in New York the week end of March 21, and I wonder if it would be convenient for you to go over the exhibits with me either on Friday, March 19, or Monday, March 22. I don't know how this was handled in previous years: Is it most convenient for you to have me send all of the stuff to your office, or would you rather have me keep it in my hotel room? There are six applicants in the field of Photography this year, so I think it will not involve too much of your time.

Hoping very much that you will agree to take on this chore, I am looking forward to hearing from you.

Sincerely yours,

For the Committee on Fellowships
