

Southern Literature

Just another graduate student
about the same way - but
not outstanding

He says Duke
deftly English
is dead - and this
man not very good
even for that
chance

English language and literature

This man made an impression on
me when he appeared two years
ago, but he has given pretty
since then. Very strong letters
from Duke professors

His asking is modest:

\$950 for 15 months study

A grant would assure him his
Ph.D., enable him to complete a

sound monograph in 'legends of
literary culture - n.e.' a definite
workable subject - interests me a great deal
