

WILLIAM WALLACE STEWART

Director of teacher-training
Southern University

Education

William (State Dept La) says:
"in scholarship average or better"

Other references speak of his being
"fine force negro - a Christian gentleman"

He's over our age; but it might
be well to help the modest
amount to needs & complete
his Ph D

1940

WILLIAM WALLACE STEWART

Director, Teacher Training
Southern University

Education

Good record - but nothing
out of the ordinary. The only
non local reference (Edmondson
of Michigan) speaks very nicely
we turned him down a year
ago. The only change is that
he is now a year older

*Job is serious
considering 3/20/40*

Director of teacher training
Southern University

Education

A good man in a strategic post
Evidently an earnest worker - but
he failed his ^(preliminary P.T.) examination at
Michigan.

If he starts again toward his P.T.
he has 2 (more likely 3) years
ahead of him - and we will
be asked to support him another
time -

Bond's recommendation is very mild
if Bond helped him at all I should
be in favor of grant from Rural Field School
to enable him to go to Stanford for a
year of study & direct work in Santa Barbara
County
