

W (AYMAN) PARKER MAULDIN

24

Let him
work a year
1939

Instructor in Sociology
University of Tennessee

Sociology

Excellent record and excellent
testimonials

He is young enough for us to
wait a year or two for
further evidence.

He will probably want a doctorate
and that will take more
than one year. A grant now
would let us in for a renewed
application next year -

I recommend that we ask him
to apply again after he has gone
further on his own
