SCHOLARSHIP

May 11, 1957

Dear Miss Gregory: The Julius Rosenwald Fund is no longer offering scholarships in public health nursing, since under the social security program federal funds have been made available to some of the states for this purpose. If you wish to find out about such funds in your state, you should write to your state health officer.

Very truly yours,

My dear Dr. Boufield:-

You have on record my application for a scholarship in nursing which^{was} filed with the Julius Rosenwald Fund some time ago. Kindly inform me if scholarships are being offered in Nursing Education this year & if my application is still eligible for consideration or is it necessary that I file a new one. I am very much interested in a course in Public Health & shall appreciate any consideration given.

Thanking you in advance for your ^{kindness}
Sincerely yours,
Juanita Gregory, R. N.
