Dear Miss Hobbs:

Miss Mabel Staupers suggested that I write you in reference to the new work which Dr. Bausfield hopes to begin at Turkegee shortly after his return to the office. You have, I believe a statement of my experience since graduating from Mercy Hospital School of Nursing. Will you please remind Dr. Bausfield that I am interested in the work and would like to go to Turkegee.

My present work, which was only a six month appointment expires July 31, 1938. I have filed an application for work in the Out Patient Department in Seaside Hospital, New York. I am also filing application for U.S. Civil Service examination for the Indian Service. I have stated that

I am willing to accept work in any Department  
and in any section of the Country.

I believe my record is fairly well up to date  
you also have a statement up to the time  
it was granted a Scholarship for study at  
Teachers College, Columbia University. If you  
wish more information to have on hand for  
Dr. Bausfield upon his return I shall be  
glad to submit whatever you request.

Very respectfully yours,

Lazareno Miller Payne.
