Dear Mr. Cook: We are preparing a full report for our trustees on persons who have held fellowships, and would like to have up-to-date information. It will be of great service to us if you will give the information called for below, and return the sheet to us at once. In addition to these bare facts we should be glad to know of anything of interest that has happened to you or that you have accomplished during your tenure of fellowship. Our trustees have a continuing interest in the Fellows and we like to keep them informed.

As a result of my fellowship, Atlanta University had its first French Negro exchange student last year. André Gide, noted French author, sent three autographed volumes to be awarded as prizes to the most promising students attending our Institute for French teachers this past summer. Julien Green, also a French author, whom I met at M. Gide's, has described our meeting on p. 128 of his Journal (Paris, Plon, 1939). I am now serving as an assistant editor of the Journal of Negro History.
