

WOODROW LEWIS DERRICOTE

Teacher, Randall Junior High School
Washington, D. C.

Education

Recommendation seems on the whole
less convincing this year than
last. Rees puts him in upper
quartile of student about average
among cheap fellowship holders
Rekey says "little acquaintance
reveals that - he lacks imagination
and needs to be funded a
great deal"

WOODROW LEWIS DERRICOTE

Teacher, Browne Junior High, Washington, D. C.
2255 Sherman Avenue, N.W., Washington, D. C.

Education

Out of the ordinary
Maybe achievement is more
from industry than top talent
But he is certainly good

(This man might well be assigned
special schools-integrative task
of Chicago Mayor's Committee
to right down his alley)

Diabetes frees him from draft
(and make him less likely to do a
full career of major importance)
