Free lance writer  
Oklahoma City, Oklahoma

## Creative writing

Oklahoma a bit outside field of the  
South in our meaning of the term

No evidence of superior ability in  
writing. He may have it but these  
offers do not bring it out.

Lablodowsky of Viking Press speaks  
well of his ability - but Viking didn't  
buy out his book.

Couch / N. Y. D.C. Press speaks highly  
of him - but Couch does that of  
every body he likes.
