Dr. M. O. Bousfield, M.D.
Julius Rosenwald Fund
Chicago, Ill.

Dear Dr. Bousfield:

You may remember me as the interne at John A. Andrews Memorial Hospital, Tuskegee Institute; to whom you spoke concerning attempting an internship at Grady Hospital in Atlanta, Ga.

I have written Mr. Kendall Weisiger, One of the Trustees and ask him to see what could be done about the matter. I received a very prompt reply and some encouraging promises. He said he would let me know what could be done about it in about two weeks. He knows that I am interested in Urology and said he would like to see get an opportunity to study at Grady.

I shall keep you informed as to the success of his attempts to put the proposition through. I would appreciate very much any advise or suggestion you may wish to give.

I highly appreciate your interest and hope to hear from you at your convenience,

I am,

Your very truly,
Von D. Mizell
