March 9, 1937.

Mizell, Von, D

Mr. M. O. Bousfield,
 c/o Julius Rowenwald Fund,
 4901 Ellis Avenue,
 Chicago, Ill.

Dear Sir:-

Since receiving your letter of March 3rd concerning Dr. Mizell I have responded to a request from Mr. Paty giving him all the information that I had about this young Doctor who has recently resigned from the hospital in St. Louis to accept an internship until June 30th at the Memorial Hospital at Tuskegee, Ala.

On July 1st, Dr. Mizell expects to begin a residency at the St. Louis Hospital and to continue there for two years whereupon he will then be ready to take up his work abroad.

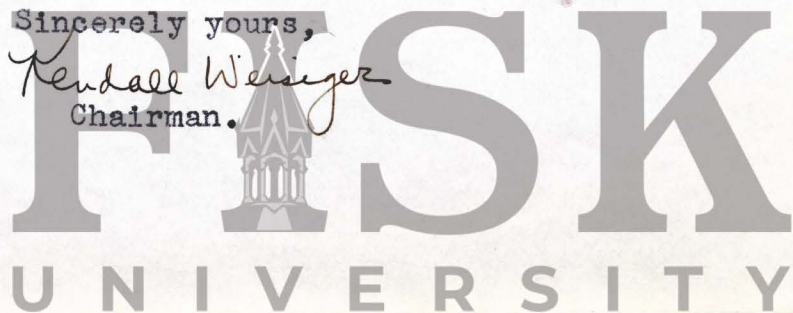

Dr. Mizell is indebted to the Rotary Educational Foundation for a loan the principal sum of which was \$320.00 which he is unable to pay on since he makes but little above actual expenses during his internship.

Any help that you could render to him would I believe be in the right direction.

With appreciation of your interest in him,
 I am,

Sincerely yours,
Kendall Weisiger
 Chairman.
