UNIVERSITY

*Alabama College
Montevallo, Alabama*

Principal of high school, Alabama College

Education

This is an interesting project and
a good man

I doubt if he is quite fellowship
material - but I want the Committee
to discuss him + his case

[He might do well to go to Sanford,
in the special project I have worked
out with Kefauver, rather than to
Peabody where he has already
spent a good deal of time]
