Dear Mr. Johnson: As you know, we have closed our applications for this year, and are in the process of preparing digests to forward to the Committee. Mr. Embree and I have been discussing dates for meetings and would like to suggest those given below for your acceptance or comment:

Saturday and Sunday, March 23 and 24, in Chicago

Saturday and Sunday, April 13 and 14

The three weeks between meetings will afford time to obtain any additional information that the Committee may wish on candidates tentatively selected at the first meeting.

If these dates are agreeable, please put them on your schedule and write me that they are satisfactory.

If the above dates are unsatisfactory, we suggest March 16 and 17 for the first meeting, and April 6 and 7 for the second meeting.

Very truly yours,

GEORGE M. BAYBROOK
