

WILLIAM ABEL CAUDILL

Graduate student, University of Chicago
Chicago, Illinois

Social Anthropology

A good scholar (though he didn't
fit into Fund office - probably
because he was too immature
for unsupervised work)

Testimony is high - from good people
Since there is apt to be a
request for a renewal, I'd feel
his award not about \$1,500 or \$1,800
esp since he still has 51 rights

He's neurotic, very uncertain of himself
since baptisms. I doubt if he's a
sound "risk"; but he's certainly
making a good record now
