RAOUL M. PEREZ

(29)

Instructor, Xavier University, N. O.

Romance languages

Excellent read

Excellent references (though
Parmentier & U / C speaks in
rather mild terms)

I should like to see an avowed
jo to a Xavier man - and
certainly New Orleans is one
American center where
Romance languages may well
be stressed

Young - hence excellent instructor

Romance languages

we turned them over down last
year (though I noted Line A)

Evidence this year seems no
more convincing - even less so
