

Fellowship Com.

December 18, 1944

Dear Frank: I am in the office for just a few days between trips and am in a frantic whirl. I'm leaving immediately for Washington and New York, where I'll spend Christmas.

I've asked Ruth to send you the names and addresses of the heads of art departments that we know. I don't know how much use they'll be to you now that it is so close to the deadline. I'm sorry we misunderstood and sent just southwestern names last time.

I'll say hello to Oronzio and Gino for you and write you a real letter when I light for a little longer. The picture grows more wonderful all the time. Merry Christmas to all.

Yours,

VH:RR
