

1939

WILLIAM T BENNETT

22

National Institute

This seems to me the top candidate among those professing to intern in post service under the National Institute

Remarkably high marks will doubtless make his mark in public service

Four letters

Ralph McGill says: "I recommend him above any other recommendation I have sent in"

The fact that his asking is modest \$550 is an added recommendation to me

A

then tentatively awarded
then dropped out because
of pressure of candidates
